PANTONE 17-1230  
Mocha Mousse

Pantone's 2025 Color of the Year, Mocha Mousse, pairs beautifully with natural tones such as sage green, terracotta, and deep beige. It also works perfectly with refined contrasts like midnight blue or teal.

For a soft and sophisticated palette, opt for pale pinks, rich chocolate shades, off-whites, or creamy neutrals.

Touches of metals like pale gold or chrome can add a subtle hint of luxury.

Tonal Focus: #A47864 — Mocha Mousse, the perfect warm neutral for timeless interiors.

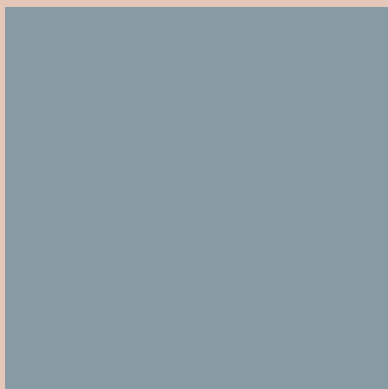

# An example of a palette, inspired by the South

**Mocha Mousse** – Perfect for a statement wall in a bright, airy living room.

**Clay Earth** – Adds depth and coziness to bedrooms or reading corners.

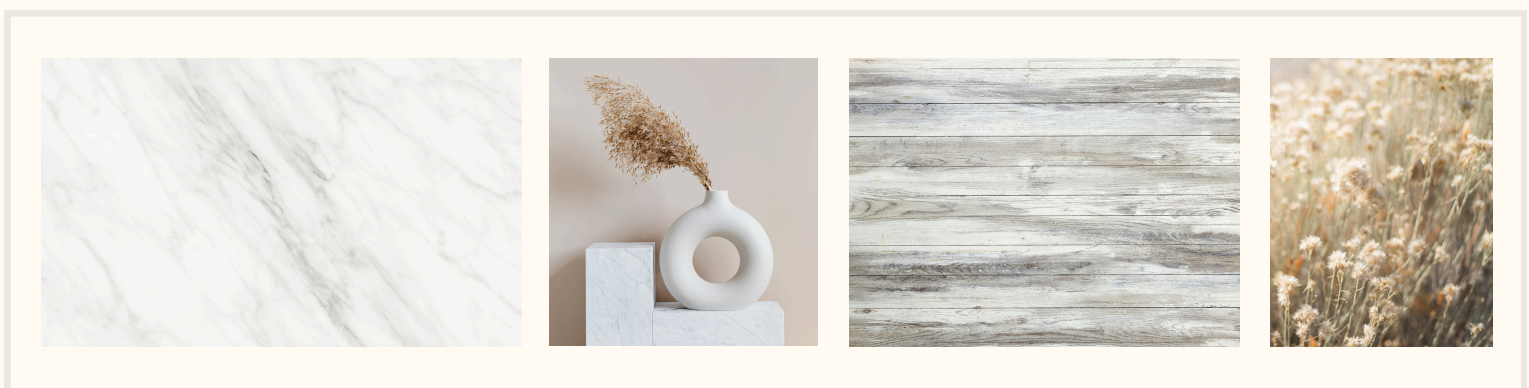

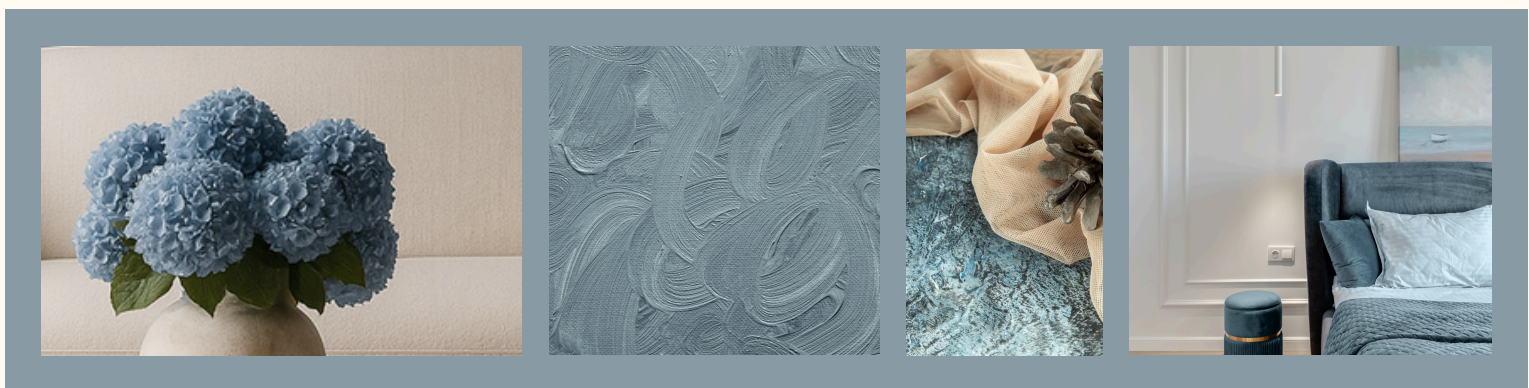

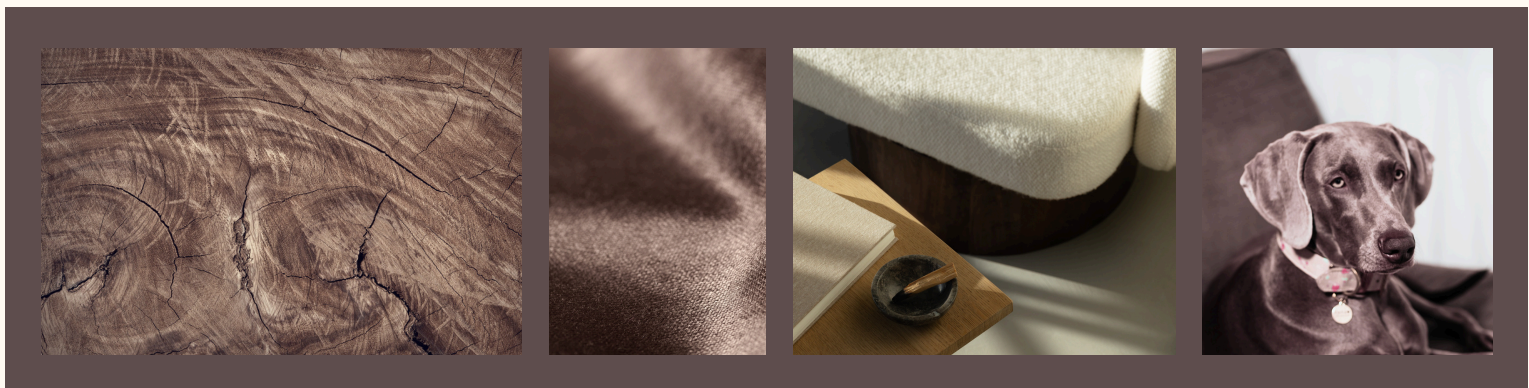

**Dusty Blue** – Ideal for adding a serene, refined touch to any space, bringing depth and calm to a bright, inviting room.

**Vanilla Cream** – Softens any space with a luminous, understated touch.

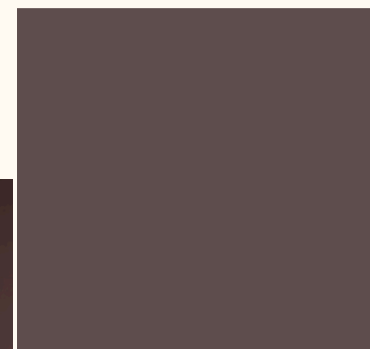

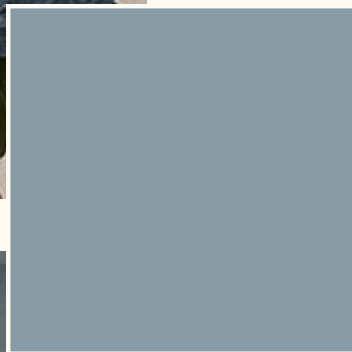

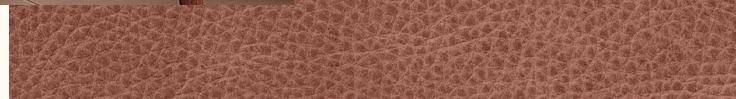

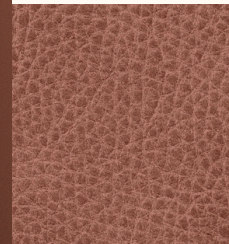

# Colors and materials that warm up a space

Tip: mix raw textures with soft fabrics for a balanced and inviting visual effect.

# Room-by-Room Inspirations

From serene living spaces to cosy bedrooms, each room tells a story through textures, colors, furnitures and offers timeless charm for each lifestyle.
